

## **Set me free**

Set me free  
Let me fly  
Set me free  
To the peaceful sky

The world's cruelty to you and I  
Makes my real tears pour down flaring my eye  
Leaving me without a choice, some times I cry

Set me free  
Off my own complex mind  
Set me free  
Off wishing true love that is rare to find

I want to escape reality before I die  
Through the horizon to the endless sky  
Like the innocent dove that can freely fly  
I spread my arms and surely do try

Set me free  
Off the world's racism and judgment  
Set me free  
Off Earth's living lament

Set me free off the darkest night  
Let my soul be free, let my spirit be light

Set me free  
I freely want to express my thoughts inside  
Set me free  
To where optimistic poets wish to reside

Set me free  
Off this world's dark forest  
Set me free  
Above the white clouds I wish to rest

Set me free to a place  
where all humanitarians grace  
because with an angels they embrace  
their happiness in Heaven  
where they get high in the garden  
emanate the sweet fragrance of Eden

From the ancient mother land Ethiopia  
Living in the "molten pot" America  
And now to my ideal Utopia...

From this moment on to eternity  
I ask you set me free!  
Dear Poetry set me free?  
Dear Poetry set me free?

While I plea, you set me free  
I see, you scope my visionary  
Yet I still plea...Dear Poetry?  
Please continue to set me free  
Please continue, to set me free!

To be continued...

Dani.
